

Facebook's Content Moderation: Bad in English, y Peor en Español - Word List

IMPORTANT NOTE: I specifically developed this list to purposefully violate Facebook's Community Standards, with some words being taken verbatim. Thus, this word list contains **highly offensive** and **inappropriate** terms. Reader discretion is advised.

Key:

- Each Community Standards Category and subcategory is organized by color. Ex. All rows within the Violence and Criminal Behavior category are in shades of yellow—the Violence and Incitement subcategory is in light yellow while the Restricted Goods and Services subcategory is in dark yellow.
- Words that triggered a return prompt are highlighted in red.
- Words that did not trigger a return prompt are highlighted in green.
- The words are numbered within each subcategory. There are 57 in each language, and 114 words in total.
